

Home to be moved

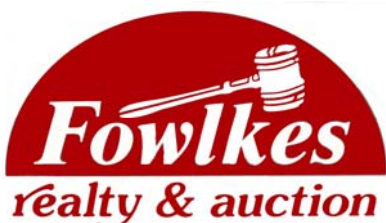

\$29,500

1991 Bonneville 28 x 52

For sale is a 1456 square foot ranch style double wide home to be moved. This home has been lifted from its original foundation and is on blocks and framework waiting to find its new location. There are cathedral ceilings throughout the home, an open kitchen - dining area with good cabinet space including a corner china cabinet and appliances included. The master bedroom is 13' x 14' with dual closets and a large bathroom with built in storage. There are two 10 x 13 bedrooms, one has a closet, and the other could be used as a bedroom or office. It has hook ups for a water softener, and is heated by a gas furnace, cooled by central air, and has an electric water heater. Up front there is an 8 x 14 covered porch, and an additional 8 x 14 deck made with composite decking. This would make a great cabin at the lake, or farm home for hired hands, or your main residence. Place it on a basement, or block foundation!

If you have been thinking of building a new home, or buying a new manufactured home, take a look here, and save some money. Mover is ready to take this to your property. Call Dave Rosno listing agent today. (402)948-0162
